The rules are available on the website https://www.gpw.pl/pub/GPW/files/PDF/dobre_praktyki/DPSN21_BROSZURA.pdf (ENG: [DPSN2021_EN.pdf \(gpw.pl\)](https://www.gpw.pl/pub/GPW/files/PDF/dobre_praktyki/DPSN21_BROSZURA.pdf)), which is the official website of the Warsaw Stock Exchange devoted to these issues.

The Best Practices include six sections:

- Disclosure Policy, Investor Communications,
- Management Board, Supervisory Board,

2. Recommendations for Corporate Governance Principles not Implemented by the Issuer along with an Explanation of the Circumstances and Reasons surrounding the Decision not to Implement a Particular Principle

The Management Board and the Supervisory Board

Principle 2.1. A company should have a diversity policy towards the Management Board and the Supervisory Board, adopted respectively by the Supervisory Board or the general meeting. The diversity policy defines the goals and criteria of diversity, among others in such areas as gender, field of education, specialist knowledge, age and professional experience, as well as indicates the date and method of

monitoring the achievement of these goals. In terms of gender diversity, the condition for ensuring the diversity of company bodies is the participation of a minority in a given body at a level not lower than 30%.

Company's Comment: Comarch S.A. has a policy of diversity, including for the Management Board and the Supervisory Board. The diversity policy covers the companies of the Comarch Capital Group and has been approved by the Management Board of Comarch S.A. Comarch's diversity policy does not pose any barriers due to gender, views, sexual orientation, racial or ethnic origin in terms of employment and HR policy, it does not contribute to direct or indirect discrimination due to sex, age, disability, race, religion, nationality, political beliefs, trade union membership, ethnic origin, religion or sexual orientation. Comarch's diversity policy, however, does not provide for the participation of minorities in the given data authority at a level not lower than 30%. Nevertheless, Comarch S.A. partially meets the requirement of ensuring a 30% differentiation with regard to women and men, because in the composition of the Supervisory Board of S.A. there are four women, which accounts for 67% of women. The members of the Board differ in terms of gender, age and education. They all have knowledge and skills supported by many years of professional experience. The Management Board of Comarch S.A. include only men, which is mainly related to the nature of Comarch's business and the specificity of the IT industry, where men constitute the vast majority. It should also be emphasized that the current members of the Management Board of Comarch S.A. are people associated with Comarch for many years, with extensive knowledge in the field of technological issues in the IT area and qualifications necessary for the positions held. In view of the above, it should be assumed that in the near future there will be no major changes in these governing bodies in terms of the participation of women

Principle 2.2. *The decision-makers on the appointment of members of the Management Board or the Supervisory Board of a company should ensure the versatility of these bodies by selecting persons who ensure diversity in their composition, enabling, inter alia, achieving the target minimum minority participation rate set at a level of not less than 30%, in line with the objectives set out in the adopted diversity policy referred to in principle 2.1.*

Company's Comment: Persons deciding on the selection of members of the Management Board or the Supervisory Board of the Company make every effort to ensure the versatility and diversity of these bodies. Composition of the Management Board of Comarch S.A. and the Supervisory Board of Comarch S.A. varies in particular in terms of education, age and work experience. The six-person Supervisory Board of the Company includes four women. The six-person Management Board of Comarch S.A. include only men, which is mainly related to the nature of the Company's business and the specificity of the IT industry, where men constitute the vast majority. It should also be emphasized that the current members of the Management Board Comarch S.A. are people associated with the Company for many years (they have held managerial positions for over 5 years), with extensive knowledge within the IT area and qualifications necessary for the positions held.

Group by the end of March of the year, which should be audited. The selection procedure of the audit firm does not exclude from the participation companies that obtained less than 15% of their total remuneration for research from public interest entities in a given European Union country in the previous calendar year, which are listed in the list of audit firms referred to in art. 91 of the Act on Chartered Auditors.

Auditing companies operating in the international network, which audit public interest entities, submit their offers for statutory audits of Comarch S.A.'s financial statement and consolidated financial statement of Comarch Group to the Chief Financial Officer of Comarch S.A. with the timeframes laid down in the request published on the Company's website.

The recommendation contains at least two options for the selection of the audit firm along with justification and indication of the justified preference of the Audit Committee with respect to one of them.

Comarch S.A. evaluates the offers submitted by the audit firms in accordance with the selection criteria set out in the tender documentation and prepares a report containing the conclusions of the selection procedure approved by the Audit Committee.

During the procedure of the selection of an audit firm, Comarch S.A. and the Audit Committee take into consideration any findings or conclusions contained in the annual report referred to in art. 90 sec. 5 of the Act on Chartered Auditors, which may affect the selection of an audit firm.

If the decision of the Supervisory Board regarding the selection of an audit firm deviates from the recommendation of the Audit Committee, the Supervisory Board justifies the reasons for non-compliance with the recommendation of the Audit Committee and forwards such justification to the body approving the financial statements.

The decision of the Supervisory Board shall be announced publicly by the Management Board in the form of a current report on the selection of the audit firm.

The Supervisory Board, based on the recommendation of the Audit Committee, may extend the contract with the current auditing company to audit financial statements for subsequent at least two-year periods without the need to conduct a tender procedure after taking into account the rules of rotation of the audit firm and the key certified auditor resulting from the law.
